Hallmark Channel's DIY Colored Ice Lantern inspired by ICE! at Gaylord Hotels

Supplies Needed:

- Deli cup and plastic drinking cup
- Paint Sticks
- Water
- Food coloring

Directions:

1. Cut a slit at the top of both the deli cup and plastic drinking cup (wide enough to slide the paint stick through).
2. Place the plastic cup into the deli cup and slide the paint stick through all 4 slits so the plastic cup hangs in the middle
3. Mix food coloring into a pitcher of water. Stir thoroughly
4. Pour the mixture into the deli cup but do not fill it all the way to the top
5. Place the deli cup in the freezer. Leave overnight and take out the next morning.
6. Remove the plastic drinking cup from the middle (use hot water if having difficulty).
7. Insert a tea light and enjoy!
