## How To Set a Festive Holiday Table

### Directions:

1. Gather your supplies – fluffed garland (battery operated preferred for less mess), candles, and ornaments.
2. Form your garland centerpiece into a wave through the middle of your table.
3. Turn on the garland lights.
4. Evenly space candles in between each wave of the garland.
5. Add ornaments in groups of three throughout.
6. Invite friends and family over, sit down and enjoy!
